*Nash admitted to Naval Hospital, Bermuda, from Antelope Hulk, August, 1824. New Sleaford Gaol. FEBRIS.

#Carter shown on ship Morley, 1829, for NSW.

+Whiteley shown on ship Royal Admiral, 1830, for NSW.

§Johnson Wm shown on ship York, 1830, for NSW.

>Dean Thomas, stated on Hulk List to have been Pardoned 10/4/1834.

The cases of Carter, Whiteley and Johnson shown some of the discrepancies on the various records and illustrate the difficulties of ascertaining exactly how many persons were transported to Australia. It would be nice to know if Dean was able to return to England after his pardon, or did he settle in Bermuda?
