

11 Mr J.D Perkins suggested that the Welland River Board should be asked to put in stacks as the land in his area was being overdrained. He was asked to write to the River Board direct.

12 Mr L.H Verette referred to the state of a drain on Mr Markin Jackson's land and the Engineer was asked to look into it.

contd 20

(*) On the proposition of Mr L.H Verette seconded by Mr J.D. Perkins it was agreed that a public meeting of all those either owning or occupying land in the North Fen district should be held at Northborough School on Monday 25 June at 7 pm to decide whether it was worth while going to the expense of a new pump. Mr Clerk was instructed to advertise the meeting in the local press & send circulars to all those owners or occupiers.

North New Pump.

The Public meeting held at Northborough School on the
25th June last was discussed.

A proposition by Mr L. Vasette seconded by Mr Rollins
that a new electric pump should be bought at an estimated
cost of £2415 was discussed. An amendment proposed by
Mr Hind seconded by Mr Samson that before anything was
decided the scheme should be prepared & submitted to the
Ministry so as to ascertain whether a grant would be made
was put to the Board and carried. It was agreed that
should the scheme be undertaken the balance of the cost
should be raised by loan so as to spread the cost over as
long a period as possible.

Mr W. Hampson's Superannuation

The letter from the County Treasurer was read and the
Clerk informed the Board that the cost to the Board would
be about £50p-a. It was agreed that this should be
left to the Chairman & the Clerks to decide as soon
as all the required information was available.
Subject to the Chairman being satisfied it was proposed by Mr
L. Vasette seconded by Mr A. Cowson that the Board should
have Mr Hampson its engineer as a contributing employee within
the meaning of Section 1 of the Local Government Superannuation Act 1953
the necessary notice required by the Act having been given. (as from the
1st Dec 1956)

Naunton Brook Scheme

The Engineer reported on the present position
particularly with regard to the Ashton Rd & Upton
Road Culverts & the need for these to be completed
as soon as possible was stressed.

South Drain • Brook Drain

The Engineer reported that this Scheme was still in process of being prepared.

Rates. It was proposed by Mr L.H. Verette seconded by Mr Meaverson that the recommendation of the Finance Committee that the rate for the Genl District shd be 5/6 and for the North Fen shd be 13/9. An amendment proposed by Mr Hind seconded by Mr Rollins that the rates shd remain at 6/- & 15/- respectively in view of the possibility of heavy expenditure in the future was put to the Board & carried by the casting vote of the Chairman.

It was proposed and seconded by the same persons that the Rates shd be sealed.

Lay Rates

~~It was proposed by Mr [unclear] and carried seconded by [unclear] that the Rate for the General District should be (owners' & Occupiers') and for the North Fen (owners' and Occupiers')~~

and that the Rates be sealed.

The Chairman informed the Board of the letter from Mr H.C. Tristley with a plan showing that the part of his farm within the Boards area drains direct into the River Welland & is not connected in any way with the Boards internal drainage system. He stated that Mr Percival had informed him that as the land was within the Boards area it was liable for rates & that Mr Tristley's remedy was to make an appeal to Quarter Sessions.

On the proposition of Mr W. Lomson seconded that by Mr L.H. Verette it was agreed that the lease bearing a piece of land ^{at Bepton} formerly belonging to Mr & Mrs Moxon shd be sealed.
