Meeting of the Maxey Internal Drainage Board held at 37
Priestgate Peterborough on Tuesday the 18th October 1966 at 2.30pm

PRESENT.

Mr. L. H. Vergette in the Chair.

Messrs. M. Jackson.

L. W. Hadman

J. D. Perkins - the Board's Engineer and the Clerk.

1. Minutes of last Meeting held on the 17th May 1966 were read confirmed and signed by the Chairman.

2. Apologies for absence were received from Mr. A. Crowson. W.H. Robinson and Mr.

S. Egar

3. The following points arising on the last minutes were discussed:- (a) The Clerk reported that he had received no acknowledgement from Mr. G.V. Sharpe about the Clearing of drains from the Beldam Dyke and he was instructed to write to him again. (b) The Clerk reported that he had had no reply from the Newborough Drainage Board about the sharing of Mr. Horsefords insurance stamps and Mr. Horseford said he would have a word with the Clerk about it. (c) The Clerk reported that the River Board had stated that it needed the gravel deposits at Nine Bridges for its own use.

4. On the proposition of Mr. L. H. Vergette seconded by Mr. Jackson, it was resolved that Mr. David Coles of Bleach House, Glington should ask to be a member of the Board in the place of Mr. Fox.

5. The Clerk was asked to write to the River Board pointing out the accumulation of gravel at Nine Bridges.

6. On the resolution of Mr. L.H. Vergette seconded by Mr. Perkins it was resolved that the overdraft limit on the wages amount should be increased to £550.

7. It was arranged that the Chairman and Engineer should arrange to inspect the drain at Northborough with Representatives from the Parish Council and Womens Institute on a date to be arranged

8. The complaints of the flooding of gardens in North Fen Road, Glington was discussed when it was decided that this was due to the weather plots of land had been cut out of a sloping field at the rear and the Clerk was asked to write to the Planning Authority about this sort of case.

9. The Engineer reported that owing to an accident, Mr. O'Connor had not been available

PRESENT.

Mr. L. H. Vergette in the Chair.
Messrs. M. Jackson.
L. W. Hadman
J. D. Perkins - the Board's Engineer and the Clerk.

1. Minutes of last Meeting held on the 17th May 1966 were read confirmed and signed by the Chairman.

2. Apologies for absence were received from Mr. A. Crowson. W.H. Robinson and Mr.

S. Egar

3. The following points arising on the last minutes were discussed:- (a) The Clerk reported that he had received no acknowledgement from Mr. G.V. Sharpe about the Clearing of drains from the Beldam Dyke and he was instructed to write to him again. (b) The Clerk reported that he had had no reply from the Newborough Drainage Board about the sharing of Mr. Horsefords insurance stamps and Mr. Horseford said he would have a word with the Clerk about it. (c) The Clerk reported that the River Board had stated that it needed the gravel deposits at Nine Bridges for its own use.

4. On the proposition of Mr. L. H. Vergette seconded by Mr. Jackson, it was resolved that Mr. David Coles of Bleach House, Glington should ask to be a member of the Board in the place of Mr. Fox.

5. The Clerk was asked to write to the River Board pointing out the accumulation of gravel at Nine Bridges.

6. On the resolution of Mr. L.H. Vergette seconded by Mr. Perkins it was resolved that the overdraft limit on the wages amount should be increased to £550.

7. It was arranged that the Chairman and Engineer should arrange to inspect the drain at Northborough with Representatives from the Parish Council and Womens Institute on a date to be arranged

8. The complaints of the flooding of gardens in North Fen Road, Glington was discussed when it was decided that this was due to the weather plots of land had been cut out of a sloping field at the rear and the Clerk was asked to write to the Planning Authority about this sort of case.

9. The Engineer reported that owing to an accident, Mr. O'Connor had not been available for most of the Summer for work on the drains and that the Board was having to rely on its three full time employees, one of whom was at present sick. He also reported that the rates for roding had increased from 6/- to 7/6.

10. The engineer also reported that the fault in the North Fen pump had been inspected and that the rectification of it would involve the pump being out of action for a short period and it was suggested that an Auxiliary pump should be hired from the Ministry

- of Agriculture for use in an emergency
- 11 The Board's Engineers ^{has} authorised to purchase two knapsack sprayers ^{draw} on the North side of the Helpston to Glington road.
 12. Arrangements were made to inspect the ~~Contract~~ on the North side of the Helpston to Glington road.
