Dear Mr. Jodd, I am sorry to have been so long in sending you photographs of the horses which belonged to my father, John Goslielow.

The older photographs (circa 1919) show my father and his horseman, Mr. Jay, preparing to take boxes of flowers to the station for dispatch to markets.

The two later ones, possibly in the 1930's, show Mr. Jay again, with horses used for ploughing out bulbs and my father with women who did the work.

The last photograph is of my daughter in a cart with Norman, another horseman. It would have

been taken about 1957 as we think
she was three years old at the time. I
know my father was one of the best
people locally to take horses on the
land.

I enclose a cheque for £1000 in
order to become a life member of the
Friends of Chain Bridge Forge

Yours sincerely,

Jiana Frohock
