

TULIP TIME 1953

It is anticipated the last week in April and the first two weeks in May will be the best time to see the Lincolnshire flowers at their best. Most of the fields on the Route are open to inspection by the public.

"Miss Tulipland, 1953" will tour the Route on three Sundays.

Owing to the very large number of people who visit the district on Sunday, thereby causing difficulties with traffic and catering, visitors are advised that wherever possible they should tour the Route during the week.

For further information, or in case of difficulty, do not hesitate to contact The Secretary, "Dehra Dun," Cley Hall Drive, Spalding, or during Tulip Time the Information Bureau, Sheep Market, Spalding. Tel. No. : Spalding 2899.
