

TULIP TIME 1952

It is anticipated the last week in April and the first two weeks in May will be the best time to see the Lincolnshire flowers at their best. Most of the fields on the Route are open to inspection by the public.

"Miss Tulipland, 1952" will tour the Route on three Sundays.

Owing to the very large number of people who visit the district on Sundays, thereby causing difficulties with traffic and catering, visitors are advised that wherever possible they should tour the Route during the week.

For further information, or in cases of difficulty, do not hesitate to contact The Secretary, Tulip Time Committee, "Dehra Dun," Cley Hall Drive, Spalding.
