APPENDIX 'C'

WEED AND VEGETATION CONTROL	FENS																										NORTH															SOUTH EAST											S.W.		
	Alford	Ancholme	Upper Witham	Skegness	Black Sluice	Welland & Nene	Thorney	South Holland	Deeping Fen	Lower Bure	East of Ouse	Downham & Stow	Feltwell New Fen	Ramsey I.	Ramsey V.	Warboys	Glassmore	Waterbeach	Middle Fen	Middle Level	North Level	C.W.S. Ltd.	Padnal	Hatfield Chase	Ashfields, etc.	Gainsborough	Lower Ouse	Upper Swale	Sykehouse	Holderness	Market Weighton	River Crossens	Newark	R. Wiske, etc.	Beverley	Keyingham Level	New Romney	Romney Marsh	Denge & South Brooks	River Stour	Lombard's Wall	Pett	Walland Marsh	Rother	Upper Medway	Essex River Authority	Caldicot & Wentlooge	Gwynedd River Auth.	South Gloucestershire
MACHINES																																																			
Howard & Dennis Weed-cutter								*	*				*						*	*	*				*												*			*										
Wilder-Powell Weed-cutter									*											*																				*										
Barford Rotary Cutter					*			*									*																							*										
Bomford Flail Mower											*																					*									*									
Lupat Bankcutter (Flail)																											*																*								
Power-driven Rotary Hedge-cutter																												*																						
McConnell Cutter																																										*									
Bomford Mott Rotary Mower																																											*								
Bomford Hedge-maker Weed-cutter																																																		*	
Fleming Hydraulic Cutter																																																		*	
Allen Motor Scythe									*																*																										
CHEMICALS																																																			
Dalapon or Dowpon	*	*				*			*		*				*	*				*			*			*	*				*				*	*	*	*	*	*	*	*	*	*	*				
Delacide			*		*													*	*				*																		*									*	
B.B.H.43			*	*				*																																										
Grass Retarder	*	*																							*								*																
Reglone					*						*									*				*								*																
Regulox	*	*							*													*									*																
M.C.P.A.			*																																														
Gramozone	*	*																																																
2,4-D			*						*																																								
Trioxone																			*																															
Methoxone									*										*																														
Econal			*	*																																													
Weedazol																																																		
Shell D.50																																																		
Aquacide																																																		
Bordermaster																																																		
Copper Sulphate							*		*			*		*		*			*	*	*																													
Hormone Weed-killer																																																		
EXCAVATORS																																																		
Priestman Beaver Hydraulic Digger	*		*	*				*	*		*																						*					*	*	*	*		*	*	*				
Smith Hydraulic Excavator										*																		*	*	*				*									*				*	
Barford Ditcher								*																																	*								
J.C.B. Excavator																						*									*		*	*								*						
3 R.B. Hydraulic Excavator																								*																										
Massey Ferguson Ditcher																									*							*																
Hy-Mac Excavator																																															*			
Fleming 9H Hydraulic Ditcher																																																		*
Webb '360' Universal Ditcher																											*
