*Engineers Office,
Deeping House,
The Crescent,*

Spalding. May 14th. 19 42.

Dear Mr. Bain,

Further to my telephone conversation with Mr. Power this afternoon, I enclose the copies of various information which was borrowed from your office a short while ago, in connection with the Glen.

The documents herewith comprise of pages of flood readings at Tongue End and Kate's Bridge, two sheets of Time-Height curve of the River Glen and the L sections and Cross Sections of the River. For your information I also enclose a copy of the backwater curves referred to in the report re Bourne South Fen Pumping Station.

Yours sincerely,

Mr. H. Bain,
11, Market Place,
Spalding.
